Made no show when unplaced in a Maiden at Taunton on his debut and lost his chance at the start when 3rd to Almarid in a Maiden at Huntingdon (started favourite). Failed to quicken in the closing stages when 4th to Altesse Kossack at Hereford on his Handicap debut here over 12f in July. Looks to have solid claims of breaking his duck here. ARO Record: R3 W0 P2. (OR 78).

British bred filly. Unplaced on her first 4 starts without showing a great deal although unseated the rider and left at the start in 2 of those runs. Reasonable first run of the season when 4th in a 10f 0-50 Handicap under top weight 2 weeks ago at Windsor (prominent for some way). Will still need to improve markedly to trouble the two principals.
