4. **When making an entry each Trainer will need to state the following:-**

7. **Any overnight stables and hostel accommodation must be booked through the ARO Office** on 01635 524 445 by close of declarations.

***The Wildcard System**

A wildcard affords extra protection for horses at risk of being balloted from a race. Every Purebred Arabian horse registered with ARO will receive one wildcard which can be used ONCE only during the course of the season and must be declared at the **entry** stage for the race in question. The use of a wildcard entitles that horse to be the first to receive protection from elimination for the relevant race. Please see the Appendix 20 of the BHA Regulations for Arabian Horseracing for full details on the wildcard system.

PAYMENT OF RACING EXPENSES

Upon registration of a horse, an ARO Racing Account will automatically be created in the Owner's name; this account will be administered by ARO Ltd. Payment into an owner's account can be made in the following ways:

- Cheque payable to ARO Ltd - send to ARO Ltd, Newbury Racecourse, Newbury, Berkshire, RG14 7NZ
- BACS Transfer quoting Sort Code 60 93 03 - Account Number 00589255 - **It is vital that your full name is quoted in the reference.**

Prize Monies will be credited to accounts subject to the race sponsors having already paid ARO. Trainers and owners must ensure that **sufficient funds are maintained in the relevant account** to cover fees as they become due (See Regulation 52) unless Prize Monies pending are sufficient to cover the outstanding balance.

There will be no Breeders Scheme for 2018 unless a sponsor is found.

A **credit limit of £150** will apply to all accounts at which point the Owner's name may appear on a forfeit list as administered by ARO. Owners of the account are given 14 days to clear any outstanding amounts from the date of issue shown on their statement. Credit is only given during the racing season. Any debt on the account must be paid in full by 31st October 2018.

It is the Owners responsibility to agree the riding fee and payment methods for apprentice and professional jockeys, and the expenses for amateur jockeys, in advance.

Statements detailing each entire month's items will be emailed shortly after the end of each month. Owners are requested to contact Trish Barney on p.barney@sky.com to provide an up to date email address. Please also contact Trish Barney on 02392 594417 should you require postal statements.

An owner may receive a refund of a credit balance at any time (presuming there are no outstanding fees to be invoiced) by placing this request in writing to the ARO Office.

From time to time this forfeit list will be reviewed and published in each edition of the ARO racing calendar. ARO has the discretion to refuse further transactions submitted by persons appearing on the below forfeit list.

HANDICAP APPEALS PROCESS

Owners and Trainers are reminded that, if they wish to query a handicap mark, they are free to contact the official handicapper directly in the first instance.

Stephen Molyneux: stephenmolyneux@hotmail.com

However, once that process has been exhausted, if the query or complaint remains unresolved, the following process is available:

1. An Owner or Trainer (the Applicant) may contact the Arabian Racing Organisation (ARO) in writing to indicate that they wish the handicap rating of a horse, or the refusal to allot a handicap rating, to be reviewed.
2. The Racing Operations Executive will co-ordinate the Review and will email the Applicant with these details of the process, inviting the Applicant to supply a written submission and a deposit of £100. Every effort will be made to ensure that the Applicant understands the procedure and is given a fair opportunity to comply with it.
3. The deposit will be paid by BACS, cheque or through an ARO Racing Account (the account must have a credit balance at that time). The deposit shall be forfeited unless the Panel decides there were good and reasonable grounds for the Appeal. The Panel's decision regarding the forfeiture or non-forfeiture of the deposit shall be final.
4. On receipt of the Applicant's written submission, the Handicapper will be invited to comment on the submission and asked to supply a written response explaining the current rating or the refusal to allot a handicap rating within five working days. The matter will not be referred to the Handicapper until the deposit is paid.
5. On receipt of the response from the Handicapper, it will be forwarded to the Applicant and they will be invited to provide any additional written comments within a further two working days.
6. On receipt of the additional comments from the Applicant (or the expiry of the period for submitting them), if the review is to continue, it is then passed with copies of all the submissions received plus the relevant films of the horse's performances to the members of the Panel who are to act.
7. The Panel will consist of three members of the appointed independent Committee including an Executive of ARO and a Non-Executive of ARO other than the Handicapper. The ARO Racing Operations Executive shall decide which persons from the Committee shall act taking account of any perceived conflict of interest.

8. The Panel's review will be by a study of the videos and of the written submissions, and telephone conversations between them, without necessarily meeting. They are to respond as quickly as reasonably possible. All three members of the Panel will be required to adjudicate on each case and in the event that a unanimous decision is not reached, a majority decision will prevail.
9. The Panel need not recommend specific changes in the rating of the horse. It is acknowledged that the Panel are not 'Super Handicappers'. They can either confirm the rating or they can require the Handicapper to reconsider it, giving greater weight to one or more factors, which they will list.
10. In the event that the Panel requires the Handicapper to review the rating, the Panel will confirm whether they are satisfied with the Handicapper's response. Once agreed, the rating will be published at the earliest opportunity.
11. A brief Report prepared by the Panel will be forwarded to both the Applicant and the Handicapper.
12. If the horse runs again before the Panel's decision is known, the Review will automatically cease and the deposit will be forfeited.
13. If as a result of the intervening performance of another horse, the Handicapper amends the rating in the normal course of his work, the Review will cease and the deposit will be returned to the Applicant.

RACEDAY PROCEDURES FOR TRAINERS AND JOCKEYS

Handling Of Horses

All horses on site must wear a properly fitted chifney or bridle at all times when being led.

Stable Security

Trainers are reminded that they are at all times responsible for the horses in their care, and that the security precautions provided at the official racecourse stables, in no way relieves them of this responsibility.

The following policy will be strictly adhered to and trainers are reminded to ensure that they have stable passes for all their staff before any racemeeting. ***Stable admittance will only be granted to holders of a valid 2018 ARO Photographic Stable Pass.***

Trainers and Jockeys are entitled to a complementary photographic stable pass but up-to-date photographs must be sent to the ARO Office for these to be issued. ***A Trainer or Jockey badge will no longer be sufficient ID for stable access.***

Please also be aware that no one under the age of 16 will be permitted entry to the stables.

On arrival at the stables all persons will be required to sign in with the Stable Manager or Security Officer on duty and, on presentation of their stable pass, will receive a coloured wristband. This wristband must be worn at all times when on racecourse property. Any person found in the stabling area without a wristband and unable to produce a valid stable pass will be asked to leave the stabling area immediately. **Note:** Spot checks will be carried out at all racemeetings.

ALL HORSES WILL BE REQUIRED TO USE A RACECOURSE STABLE. NO HORSE WILL BE PERMITTED TO RUN FROM THE HORSEBOX

3. Please collect paddock badges for any of your owners or guests needing parade ring access. These can be collected from the Declarations Clerk, along with your racecard.
4. Any requests to the Stewards should be made in writing and given to the Declarations Clerk, Stipendiary Steward, Clerk of the Scales or Clerk of the Course at the time of declaration.
5. Trainers must not collect number cloths; jockeys collect the relevant number cloth just prior to weighing out before each race.
6. Horses must be in the Paddock 15 minutes before the published race time. (Regulation 29B(iii) and Appendix 27)

6. If you are saddling your own horse, remember you can always weigh out early with permission of the Clerk of the Scales.
7. ALL jockeys must present their Medical Record Book to the Declarations Clerk before Weighing Out every time they ride in a race.
8. ALL jockeys must bring a form of photographic identification (e.g. passport, driving licence etc.) with them when they are riding in any ARO race.

RIDERS' CLAIMS

A rider's allowance of 5lbs may be claimed until a rider has ridden 5 winners of races run under these Regulations or any previous Jockey Club Regulations for Arabian Racing or races run under the BHA Rules of Racing or the Rules of any Recognized Turf Authority or under the BHA Regulations for Point to Point Steeple Chases. Any rider who has ridden five or more pony racing winners but who would otherwise be eligible for the aforementioned allowance, may claim 3lb.

A rider shall be entitled to claim the given riding allowance until the expiry of the meeting on which he reaches the maximum number of winners appropriate to the allowance in question. The rider shall be responsible for claiming the correct riding allowance. It is also the responsibility of the rider to inform the ARO Office when he has ridden five winners as stipulated above and is no longer entitled to claim an allowance.

An Amateur Rider currently registered with ARO under Regulation 30 (i) is entitled to claim allowances in a Handicap Race run at a Designated Meeting or a Handicap Race run at a thoroughbred fixture other than a Race classified as an Amateur Riders Race. Please see Regulation 32 (vii) for details.
