Under Appendix 31 of the BHA Rules And Regulations for Arabian Horse Racing states a Trainer must report the arrival of a horse from abroad and send details of the horse's racecourse performances to the ARO Office before the time of entry. When a horse trained in Great Britain has run in a race outside Great Britain the Trainer must notify the ARO Office of the details of such racecourse performance. This notification shall be made within 48 hours of the return of the said horse to Great Britain or before the said horse is subsequently entered for any race in Great Britain, whichever is the earlier.
