THIS FORM MUST BE ACCOMPANIED BY THE APPROPRIATE OWNER/TRAINER/HORSE FORMS.

General Registration Form — Must be completed by new Owners and Trainers.

Registration Sole Owner — For people who wish to own a horse outright.

Registration Syndicate Ownership — For a group of people coming together to own a horse, but who do not have to be sole owners in their own right. The ownership is managed and set up by a syndicator who is responsible for the syndicate. The syndicate can be formed as a result of a public offering and often comprises a larger number of people than a partnership. All partners own a share in the horse, please specify percentage. All members will have individual Client Accounts and need to complete and sign a separate 'General Registration Form'.

Initial Registration of Partnership — For two or more registered owners that wish to own a horse together. Partnerships are likely to comprise family or friends and allow owners to share in the responsibilities of racehorse ownership. One or Two registered owners 'nominated partners' are ultimately responsible for the setup and administration of the Racing Partnership.

Initial Registration Racing Club — For a group of people coming together to experience the thrill of racehorse ownership. The club manager will be responsible for the racing club, but unlike in a syndicate, members of a racing club do not own the racehorses. Instead members are likely to pay a subscription in order to enjoy some of the benefits of racehorse ownership.

Lease Registration — Where a horse is subject to a leasing agreement, a signed document stating the names and addresses of all the parties interested and the terms of such lease shall be sent to the ARO Office for registration.

Racehorses in Training — Whenever a horse moves in or out of training or changes yards, the trainer must notify ARO, in order for the records to be updated.

Authority To Act — Required for all owners wishing to appoint a trainer to act on their behalf, including on race days.

Stable Passes — A stable employee requires a Stable Pass before they can accompany a horse to the races, this is obtained from ARO.

Registered Horses — A list of registered horses is published on the ARO website, Racing Information—choose Registered Horses from the dropdown menu—click the link to view the latest PDF.

Handicap Ratings — Handicap Ratings are published on the ARO website each Tuesday, Racing Information—choose Handicap Ratings from the dropdown menu—click the link to view the latest PDF.

Registration Transfer of Engagement — If a horse changes ownership during the season the ARO Office must receive a new Racehorse in Training form, an Authority to Act and a Transfer of Engagements within 7 days or immediately if the horse has outstanding engagements.

Owner/Trainer (Arabians only) (for trainers with 5 or less horses in the yard, or if you only train for yourself or on behalf of your immediate family) (not including registration of colours)

Registration of Colours — You do not need to be a registered owner under the Rules of Racing in order to register colours, although you are required to pay an annual fee to reserve your colours. No two sets of colours can be exactly the same

Racehorse Identity check — Passport not produced on request; Horse cannot be identified from markings in passport; if on a racecourse, horse withdrawn.

Racing Clearance Notification (RCN) - means a notification from ARO that the Trainer and Owner are registered under the rules of racing and neither appear on the Forfeit List and indicating whether the horse is free from any restrictions which prevent it from racing.

Regulations Book — Can be downloaded free from the ARO website.

Public Liability Insurance — All Licensed Trainers are required to have Public Liability Insurance providing minimum cover of £5 million. This policy must include cover for any awards of damages given to a member of the public arising out of the death, bodily injury or damage to property suffered by members of the general public at a recognised race meeting. Trainers are likely also to require Employers' Liability Insurance in accordance with the Employers' Liability (Compulsory Insurance) Act 1969.

Training Yard and Facilities — If a licence to train is granted, it is on the understanding that it is restricted to training horses at or from the stables to which the application relates; it does not permit the applicant to train at or from any other stables.
