### **PAYMENT OF RACING EXPENSES**

Upon registration of a horse, an ARO Racing Account will automatically be created in the Owner's name; this account will be administered by ARO Ltd. Payment into an owner's account can be made by BACS Transfer:

- BACS Transfer quoting Sort Code 60 93 03 - Account Number 00589255 - **It is vital that your full name is quoted in the reference.**

Prize Monies will be credited to accounts **subject to the race sponsors having already paid ARO**. Prize Monies will be credited to accounts once ARO receive confirmation of a negative result from LGC (drug testing). Trainers and owners must ensure that **sufficient funds are maintained in the relevant account** to cover fees as they become due. ARO is within its rights to refuse any entry or declaration for a horse if the registered Owner's Racing Account is not in credit of **£500**.

All accounts must be in credit at entry stage, ARO reserve the right to not accept any entry were the account is not in credit. A **credit limit of £500** will apply to all accounts at which point the Owner's name may appear on a forfeit list as administered by ARO. Owners of the account are given 14 days to clear any outstanding amounts from the date of issue shown on their statement.

It is the Owners responsibility to agree the reimbursement of expenses for amateur jockeys, in advance.

Statements detailing each entire month's items will be emailed shortly after the end of each month. Owners/Trainers are requested to contact Trish Barney on [p.barney@sky.com](mailto:p.barney@sky.com) to provide an up to date email address. Please also contact Trish Barney on 02392 594417 should you require postal statements.

An Owner/Trainer may receive a refund of a credit balance at any time by placing this request in writing to the ARO Office or Trish Barney.

### **HANDICAPPER**

Stephen Molyneux: [stephenmolyneux@hotmail.com](mailto:stephenmolyneux@hotmail.com)

### **HANDICAP APPEALS PROCESS**

Owners and Trainers are reminded that, if they wish to query a handicap mark, they are free to contact the official handicapper directly in the first instance.

Stephen Molyneux: [stephenmolyneux@hotmail.com](mailto:stephenmolyneux@hotmail.com)

However, once that process has been exhausted, if the query or complaint remains unresolved, the following process is available:

1. An Owner or Trainer (the Applicant) may contact the Arabian Racing Organisation (ARO) in writing to indicate that they wish the handicap rating of a horse, or the refusal to allot a handicap rating, to be reviewed.
2. The Racing Operations Executive will co-ordinate the Review and will email the Applicant with these details of the process, inviting the Applicant to supply a written submission and a deposit of £150. Every effort will be made to ensure that the Applicant understands the procedure and is given a fair opportunity to comply with it.
3. The deposit will be paid by BACS, cheque or through an ARO Racing Account (the account must have a credit balance at that time). The deposit shall be forfeited unless the Panel decides there were good and reasonable grounds for the Appeal. The Panel's decision regarding the forfeiture or non-forfeiture of the deposit shall be final.
4. On receipt of the Applicant's written submission, the Handicapper will be invited to comment on the submission and asked to supply a written response explaining the current rating or the refusal to allot a handicap rating within five working days. The matter will not be referred to the Handicapper until the deposit is paid.
5. On receipt of the response from the Handicapper, it will be forwarded to the Applicant and they will be invited to provide any additional written comments within a further two working days.
6. On receipt of the additional comments from the Applicant (or the expiry of the period for submitting them), if the review is to continue, it is then passed with copies of all the submissions received plus the relevant films of the horse's performances to the members of the Panel who are to act.
7. The Panel will consist of three members of the appointed independent Committee including an Executive of ARO and a Non-Executive of ARO other than the Handicapper. The ARO Racing Operations Executive shall decide which persons from the Committee shall act taking account of any perceived conflict of interest.
8. The Panel's review will be by a study of the videos and of the written submissions, and telephone conversations between them, without necessarily meeting. They are to respond as quickly as reasonably possible. All three members of the Panel will be required to adjudicate on each case and in the event that a unanimous decision is not reached, a majority decision will prevail.
9. The Panel need not recommend specific changes in the rating of the horse. It is acknowledged that the Panel are not 'Super Handicappers'. They can either confirm the rating or they can require the Handicapper to reconsider it, giving greater weight to one or more factors, which they will list.
10. In the event that the Panel requires the Handicapper to review the rating, the Panel will confirm whether they are satisfied with the Handicapper's response. Once agreed, the rating will be published at the earliest opportunity.
11. A brief Report prepared by the Panel will be forwarded to both the Applicant and the Handicapper.

12. If the horse runs again before the Panel's decision is known, the Review will automatically cease and the deposit will be forfeited.
13. If as a result of the intervening performance of another horse, the Handicapper amends the rating in the normal course of his work, the Review will cease and the deposit will be returned to the Applicant.

### **FORFEIT LIST**

The BHA has approved the publication of a forfeit list in accordance with Regulation 95 of the BHA Regulations for Arabian Horse Racing. Debtors' names will be announced along with other such information as ARO considers appropriate, the forfeit list will be forwarded to the BHA for their records. From time to time this forfeit list will be reviewed and published in each edition of the ARO racing calendar. Names will be removed from the list once full payment has been received by the ARO Office. ARO has the discretion to refuse further transactions submitted by persons appearing on the below forfeit list.

### **Stable Security**

Trainers are reminded that they are at all times responsible for the horses in their care, and that the security precautions provided at the official racecourse stables, in no way relieves them of this responsibility.

The following policy will be strictly adhered to and trainers are reminded to ensure that they have stable passes for all their staff before any racemeeting. ***Stable admittance will only be granted to holders of a valid 2025 ARO or BHA Photographic Stable Pass.***

Trainers are entitled to a complementary photographic stable pass but up-to-date photographs must be sent to the ARO Office for these to be issued. ***A Trainer badge will no longer be sufficient ID for stable access.***

Please also be aware that no one under the age of 16 will be permitted entry to the stables.

On arrival at the stables all persons (a maximum of 3 people for each horse) will be required to sign in with the Stable Manager or Security Officer on duty and, on presentation of their stable pass may receive a coloured wristband. If issued this wristband must be worn at all times when on racecourse property.

**ALL HORSES WILL BE REQUIRED TO USE A RACECOURSE STABLE. NO HORSE WILL BE PERMITTED TO RUN FROM THE HORSEBOX**

### **Guidelines for Trainers and Stable Staff**

It is important that races start on time. Please read the guidelines below which will help the Stewards and Officials achieve this.
