BRITISH HORSERACING AUTHORITY (BHA) REGULATIONS FOR ARABIAN HORSERACING
AND THE BHA RULES OF RACING

All Owners and Trainers should familiarize themselves with the British Horseracing Authority (BHA) Regulations for Arabian Horseracing and the BHA Rules of Racing. These can be found online at:

<https://www.aroracing.co.uk/members/registration-forms/>

<http://rules.britishhorseracing.com/>

INTERNATIONAL AGREEMENT

ARO operate under the terms and conditions of the IFAHR International agreement for Arabian Horses.

To assist Owners and Trainers, the following areas of the Rules and Regulations have been extracted here:

HORSE ELIGIBILITY AND BLOOD TESTING

ARO wish to remind Owners and Trainers that, at their discretion, horses may be blood typed and/or DNA tested as required to establish their parentage in accordance with Regulation 15(v) of the British Authority Regulations for Arabian Horse Racing. ARO will exercise this discretion at the time of entry, where circumstances, in their opinion, deem it necessary and irrespective of and against the original registration in a WAHO accepted stud book.

15. No horse shall be eligible to be entered or to run in an Arabian Horse Race governed by these Regulations unless:

(v) it has been parentage identified to a minimum of **two** generations and its pedigree contains named horses throughout in a minimum of **two** generations, to the satisfaction of ARO.

18. No Race can combine two horses with the same year of birth and the same dam. Where two or more horses have the same year of birth and the same dam they will be reduced to one by random ballot at the time for declaration under Regulation 80. Any horse bred by embryo transfer must be declared as such at the time of entry and failure to make such declaration will cause the horse to be subject to disqualification under Regulation 97 (viii).

VACCINATION PROCEDURES

Please note the vaccination laws of the UK as below. **Failure to comply will result in the horse's entry being declared void.**

For the full list of the BHA vaccination requirements please follow the link:

<https://rules.britishhorseracing.com/#!/book/34/chapter/s3534-vaccinations-code/content>

From 01 January 2022, the primary course and booster interval schedule for Equine Influenza vaccinations will be amended as follows:

	INTERVAL PRIOR TO 1 JANUARY 2022	INTERVAL FROM 1 JANUARY 2022
VAC 1		
VAC 2	21 – 92 days	21 – 60 days
VAC 3	150 – 215 days	120 – 180 days
BOOSTER	Not more than 1 year apart	Not more than 6 months apart

MEDICATION & DOPING CONTROL:

International Trainers **must** be familiar with the rules regarding UK medication and doping control:

<https://www.britishhorseracing.com/regulation/anti-doping-medication-control/anti-doping-medication-control/>

STABLE SECURITY

International trainers are required to complete a **BHA Overseas Trainers; Letter of Authority** for each member of their stable staff team travelling to the UK. A completed copy of this form must be emailed in advance to the ARO office or Lisa Cook cook@britishhorseracing.com or presented to the Equine Welfare Integrity Officer on duty at the racecourse stables. **All** staff, including trainers, wishing to enter the stables may be required to show their passport to the Equine Welfare Integrity Officer on duty at the racecourse stables. Only individuals named by the trainer at the declaration stage will be admitted to the stables.

ALL HORSES WILL NEED A STABLE. NO HORSE WILL BE PERMITTED TO RUN FROM THE HORSEBOX UNLESS PRIOR PERMISSION HAS BEEN GRANTED BY THE BHA.

WHIP REGULATIONS

All Trainers **must** ensure that their jockeys are familiar with the regulations concerning the use of the whip in the UK races.

NEITHER ARO, NOR THE BRITISH HORSERACING AUTHORITY, CAN BE HELD RESPONSIBLE FOR ANY RIDER'S LACK OF FAMILIARITY WITH THE NECESSARY RACE REGULATIONS.

The current rules and penalties can be found online at:

<https://rules.britishhorseracing.com/#!/book/34/chapter/s3201-table-of-penalties>
