RACE SUMMARY

An interesting little heat where all four can be given a chance. Mayfair is very well treated and her first run this season gives her a chance. Last years one two Jeewan and Mdawi are back on this seasons form those placings may be reversed but given the former might get a soft lead that can't be guaranteed. The pick to give weight all round is A SHJ AA who's in much deeper waters than on his debut but is open to a bit more improvement than his three rivals.

KEY	Owner	Breeding	Breeder	Jockey	Trainer	
colours	no	horse		age	st lb	Draw
	1	ASHJ'AA (GB) (41) 1	4	10-0	(3)	
					Dougie Costello	
					Mr Philip Collington	
						BL
		Made an impressive debut under this rider when winning at Lingfield last month, where he won by fourteen lengths in a weaker race than this. The extra furlong here on his handicap debut shouldn't be an issue, gives weight all round against some horses with solid form here, but he has obvious claims. (R1 W1 P0) (OR 88)				
	2	MDAWI (FR) (104) 444202-11	5	9-2	(2)	
					Ray Dawson	
					Mr Philip Collington	
		Was narrowly beaten into second in this race last year but has gone from strength to strength since then. Has won both his starts comfortably this season the most recent in May over a furlong further than this. Has changed Ownership and Trainers since that run, he goes well fresh and if returning in the same form holds solid claims. (R9 W2 P6) (OR 76)				
	3	JEEWAN (GB) (41) 33261-553	10	8-12	(4)	
					Ebrahim Nader	
					Barry Brennan	
						BL
		Stout stayer, who won this race last year when he made all the running. Was pestered on the lead at Lingfield last time when behind Ashj'aa but gets a big pull in the weights here. An easy lead looks likely here so should give it a good go from off the front. (R21 W3 P8) (OR 72)				
	4	MAYFAIR (GB) (96) 134-45-4	7	8-4	(1)	
					Isabelle Chalmers (7)	
					Mr J Morris	
						P
		Finished fifth in this race last year but was ahead of Jeewan on her only start at Bath in the Spring. She's out of the weights here but has become very well treated nowadays, so she can't be discounted getting weight all round. (R14 W1 P8) (OR 64)(15oh)
